2009 Team Sponsor Program

In 2009 we expect to field about 18 Youth Football Teams and four Cheerleader Squads. This Year we are requiring that each team have a Sponsor. The Sponsor will receive the following benefits.

Sponsor Sign –

The Town of Huntington will now allow us to post a single sign listing the names of all of our sponsors. This 3' X 4' sign will be mounted on the building right next to the concession stand window. This will provide maximum exposure for our Sponsors throughout the season.

Weekly Game Stories –

Each week the local community newspaper (The Long Islander) publishes game stories for each of our games. These articles are submitted by the coaches and really enjoyed by the kids who love to see their names in the Newspaper. Each article will mention that the team is sponsored by your company in the first sentence of each story.

½ Page Ad in HYFL Annual Journal –

Each year we publish a Journal, which is distributed at our Annual Awards Breakfast. There is a separate page for each team or squad with a picture and the names of the coaches and kids. We will add a "Sponsored by" Tag line on your team's page. These Journals are not throw-away items. They are usually saved as a keepsake by the family and your name as a sponsor will be recognized for years

Sponsor Plaque

Each Sponsor will receive a wall mounted picture of your team.

One Free Ticket to the Awards Breakfast, where your Sponsor Plaque will be presented.
